

Gas Logs for the Fireplace & Patio

Premier Oak

Western Oak

Environmentally Friendly

Every *Ambiance* log set has the potential to eliminate thousands of wood fires. This reduces cutting of our forests and animal habitat disruption. Producing only a trace of emissions, our log sets are a friend of the environment.

Beauty & Warmth in Any Decor

Your *Ambiance* gas logs will enhance not only the fireplace and hearth, but will add to the year 'round beauty of your entire room or patio.

Casual Elegance Coal Grate

Seascape / Driftwood

Safe & Maintenance-Free

You have no creosote buildup or chimney fires. As easy as a strike of a match and the turn of a valve. Just think, no more hauling wood, dangerous sparks or cleaning ashes. Relax and enjoy the *Ambiance*!
